- https://www.linkedin.com/in/rajesh-pekala-a6827b259/

Skills

- **Programming Languages** : Java , Javascript
- **FrontEnd Technologies** : ReactJs , TailWind
- **State Management**: Redux
- **BackEnd Technologies**: NodeJs , ExpressJs
- **DataBase Management** : MongoDB , MySQL
- **Version Control** : GitHub

Education

Bachelor's of Technology (CSE) (69%) 2019-2023 :

Avanthi Engineering College

Intermediate(MPC)(82%) :

Mother Theresa Junior college

Matriculation(85%) :

GOVERNMENT HIGH SCHOOL

Hobbies

- Building WebApps
- Learning New Technologies
- Design Exploration
- Solving Dsa Problems

Strengths

- Easily Adoptable to New Environments
- Never GiveUp Attitude
- Quick Learner
- Positive Attitude

Career Objective

- Seeking a challenging position in a dynamic and collaborative environment where I can leverage my technical skills in software development, problem-solving, and system architecture to contribute to the success of cutting-edge projects.

Projects

Food Ordering Application

- Designed a user-friendly ordering and checkout system, allowing users to browse restaurants, add items to their cart, and complete the order process with ease and it demonstrated proficiency in frontend technologies, state management, and API integration

  Contribution: Individual

  Tech Stack Used : Javascript , ReactJs , NodeJs , Tailwind , Redux

  GitHub Repo: https://github.com/rajeshpekala/Foodish_app

  Deploy Version :   https://prem-app.vercel.app/

Chat Application

- Designed a Chat Application , allowing users to chat in Groups And Individually with friends Used Socket.io for real-time communication is taken to the next level, allowing users to engage in instant messaging with lightning-fast speed and reliability

  Contribution: Individual

  Tech Stack Used : Javascript , ReactJs , NodeJs , MongoDb , Express js ,Tailwind css ,Socket.IO

  Github Repo: https://github.com/rajeshpekala/chat-app

  Deploy Version : https://chat-application-toop.onrender.com/

Certifications

- Certified in **Web Development**
  Issued Organization : CourseEra

- Certified in **ReactJs**
  Issued Organization : NamasteDev
